

*A royal portable restroom experience.*

The Royal Restrooms Eight-Stall Gang Shower Unit is a simple solution for events such as weekend festivals or retreats. This unit may be combined with additional Royal Restrooms for large events. Originally designed for disaster relief efforts, the Royal Restrooms Eight-Stall Gang Shower Unit is the perfect choice for emergency situations or in any case where power and water sources are not readily available.

The Royal Restrooms Eight-Stall Gang Shower Unit contains one unisex shower area. The shower area is furnished with a eight semi-private shower stalls ideal for unisex, co-ed, or single gender usage. Whether used for a special event or emergency situation, Royal Restrooms provide individuals with the comforts of home with clean showers featuring:

- Individual Semi Private Shower Stalls
- Hand Soap and Paper Products
- Air Conditioning or Heat
- Low Level Outdoor Lighting

The unique design of Royal Restrooms gives them the mobility to go virtually anywhere. The Eight-Stall Gang Shower Unit is completely self-contained and operable using (4) 110 volt outlets or generator(s) for the lights, heat or air conditioner, and on-demand propane water heater. (Unit pulls a maximum of 20 amps per outlet.) Water is supplied by a spigot and garden hose or a 125 gallon on-board fresh water holding tank. The unit houses a 376 gallon waste water holding tank; grey water from the showers can either flow directly into the waste holding tank or be diverted to a specific location on the ground. If operated from a continuous water source, the unit provides approximately 450 hot showers before the propane needs to be replenished.

**Rental options include daily, weekly, and long-term rentals, site attendants, generators, and additional fresh water holding tanks.
